Dear Ms. Best:

This is an interim response to your enclosed Freedom of Information Act (FOIA) request, which was received in this office on June 18, 2019 and assigned FOIA case number 19-F-1392. We ask that you use this number when referring to your request.

Please note that we are currently processing your request and have tasked the Office of the Chief Management Officer (CMO) a component of the Office of the Secretary of Defense (OSD) / Joint Staff (JS) to search for nine separate categories of records pertaining to OSD's FOIA processing.

You should know that although we have already begun processing your request, we will not be able to respond to your request within the FOIA's 20-day statutory time period as there are unusual circumstances which impact our ability to quickly process your request. These unusual circumstances are (a) the need to search for and collect records from a facility geographically separated from this office; (b) the potential volume of records responsive to your request; and (c) the need for consultation with one or more other agencies or DoD components having a substantial interest in either the determination or the subject matter of the records. For these reasons, your request has been placed in our complex processing queue and will be worked in the order the request was received. Our current administrative workload is approximately 2,973 open requests. We regret the anticipated delay in responding to your request and your continued patience is appreciated.

If you have any questions or wish to discuss the reformulation of your request or an alternative time frame for the processing of your request, you may contact Mr. David Swiney, the Action Officer assigned to case number 19-F-1392, at david.k.swiney.civ@mail.mil or 571-372-0427.

If you are not satisfied with this response, you may contact our acting OSD FOIA Public Liaison, Mr. Darrell Williams, at 571-372-0462 or by email at OSD.FOIALiaison@mail.mil. Also, please note that the Office of Government Information Services (OGIS) offers services to requesters who have disputes with Federal agencies. If you have concerns about the processing of your request, please contact OGIS at:
